October the thirty-first.

Dear Mr. Yohansen:

Would you kindly axe someone to choke me for the 2 poor nuts that are unable to do so themselves; you must excuse these guys, for the one is being choked himself and the other is suffering from 23 and a half per cent distemper. He does not any more eat ice cream, or candy, or kake, or soda, or anything nice; but lives on All Bull products. So much bull there is in his fare that it has knocked the bull out of Buller, and he neither is in a condition to appreciate "Humour" I think Tommy's ice cream composition is bum, as ice cream made of skimmed milk and five cents eggs, Daddy and me and Mother could not eat, this we give to our dogs K. and B. If Tommy would like a little of this, Johnie may be able to get some for him at 5 cents a glass; but the genuine stuff with guaranteed milk and guaranteed eggs will cost Tommy 13 cents for the present.

P. S. Please excuse Krazy for anything he might say in these days as he is kraizer than ever. Daddy wants to give you some jokes he heard from Mr. Tetaud: the 1 for today is a telegram he received from Santa Claus asking the ladies not to hang up any fur-lined stockings for Xmas as he is very ticklish.

Yours truly

JONNIE IGNATZ.

Sammy's Answer To

Tommy's Composition.

Hello! Tom, Tommy Hello! just listen? You ask, can't somebody do the public the kind favor and choke Johnnie Ignatz? Now Tommy, are you in earnest or are you as usual off your head. No Tommy, nobody will choke Johnnie Ignatz; little Johnnie only speaks the truth, plain and simple in his broken language. The public cannot buy eggs at 5 cents an egg; that point is settled. What we want you to know is that little Johnnie will not buy cream made from your formula. Johnnie buys cream made from the Dairy, sweet milk and good eggs at 6 cents an egg, and not rotten eggs at 5 cents an egg. Now Tommy don't get further off your mind on the subject and try to choke Johnnie Ignatz as you will find yourself in a room fit for you.

Yours

SAMMY.
