PUBLIC ANNOUNCEMENT

I would like to humbly thank Governor Mapp, Lt. Governor Potter, the Legislature, and the Property and Procurement staff for their commitment in allowing me to serve the people of the territory.

Today reminds me of my very first day after Basic Training in the Army, 30 years ago. Like every Virgin Islander living abroad, I had a choice about where I want to work. I returned home because I believe the U.S. Virgin Islands are the very best place in the world to serve.

I have lived around the world and have empowered people to do incredible things with their individual capabilities. I wanted to do the same in my home and make a difference for the employees at DPP and our territory. This is what inspires me daily.

Please visit our new website: <http://dpp.vi.gov> (Welcome to the New Property and Procurement)

New initiatives:

- DPP Auto Auctions that include VI Government employees
- Open up Central Stores to VI Government employees
- Reduce the VI Government's vehicle fleet
- Form a committee to address the resistance issues surrounding the Governor and Lt. Governor
- Bring advance technology to the contracting and Procurement processes.

Sincerely,

Randolph N. Bennett
