

BY THE PRESIDENT OF THE
UNITED STATES.

A Proclamation.

Whereas the Congress of the United States, by a concurrent resolution adopted on the fourth day of March last authorized the Secretary of War to cause be brought to the United States the body of an American, who was a member of the American expeditionary forces in Europe, who lost his life during the world war and whose identity has not been established, for burial in the memorial amphitheater of the national cemetery at Arlington, Va.

And, whereas, the remains of this unknown American to be brought to the United States in pursuance of the said concurrent resolution, will be buried in the said memorial amphitheater at Arlington on the 11th day of November next.

And, whereas, these remains will be representative of all unidentified American dead who in the world war gave their lives in their country's cause;

And, whereas, it is desired that grateful recognition of their loyal devotion to country and of their sacrifice should be appropriately shown with due solemnity to their God-fearing and patriotic fellow trymen;

Now, therefore, I, Warren G. Harding, President of the United States of America, do hereby call upon all devout and patriotic citizens of the United States to leave from their accustomed occupations their labors on Friday, the 11th day of November next, from 12 o'clock noon to minutes past that hour for a period of silent prayer of thanks to the Giver of all good for these valuable and valorous lives and of supplication for His divine mercy and for His blessing upon our beloved country.

Furthermore, I hereby direct that the national flag be displayed at half staff upon all the public buildings of the United States and all stations of the army, navy and marine corps throughout the world, as well as upon all American embassies, legations and consulates, from sunrise until sunset, on November 11, 1921.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed. Done in the District of Columbia this 30th day of September in the year of Our Lord, one thousand nine hundred and twenty one and of the Independence of the United States of America, the one hundred and forty-sixth.

WARREN G. HARDING.

By the President.

Now it Will Go!

When 3-in-One Oil reaches the point of friction in a sewing machine bearing, friction dies immediately. Instead of groaning and hanging back, needle and shuttle take wings and fly like the wind. The thread runs free and easy and sewing becomes a joy.

3-in-One Oil

is the greatest oil in the world for sewing machines and all fine mechanisms—try it and see.

In 1-oz., 3-oz. and 8-oz. bottles; and in 3-oz. Handy Oil Cans.

Keep Your Razor Sharp

It is impossible to wipe a razor absolutely dry. Consequently invisible rust is always eating away the microscopic teeth that give a razor its shaving power. This is why your razor becomes dull—rust does it! Nothing keeps a razor in such fine shaving trim as

3-in-One Oil

Use it this way and see for yourself: Before shaving, draw razor between thumb and first finger moistened with 3-in-One. Then strop with a few drops on the strop. Avoid making strop wet with oil. After shaving repeat this process. This checks rust and absolutely preserves the edge—microscopic rust cannot form—the cutting edge must stay keen.

VIKING CORD

THE TIRE OF SUPERIOR QUALITY
AT A MODERATE PRICE

"We pay our Workmen in Tires a very high wage. We keep the number of each Tire which each man makes. Then, if there are any just complaints, we refer to the number of the Tire, and the man who has made it have to pay the claim. The workmen agree to this, because they receive very much higher pay than is customary in other factories; and by having to pay the claim if there is any—is undoubtedly the cause that they take special care in the construction of these tires; and to this is due the great record of the "Viking Tires".
