To the Editor of the St. Croix Avis
Dear Sir,

My attention has just been called to the Editorial in yesterday's Avis. It is a true proverb that "a guilty conscience needs no accuser."

We deny having made any threats or refusal to sell fish to the members of the Food Commission, but we have threatened not to sell and also to boycott the shop of one member if he continues his policy of driving fisher folks out of his shop as he has been doing for some time,

this we affirm. Besides this member is also encouraging lawlessness by putting up a notice to his shop door that he will buy chickens at 30c per lb., when himself (as I have been told) has made it unlawful for anyone to sell for more than 25c. per pound, thereby making those who sell to him answerable to the law.

I trust this will cause him to adopt a more truthful and wiser policy in the future.

Let us extend our hands in mutual fellowship to help one another for public benefit and the up lift of our country.

Respectfully,

PHILIP K. G. TUTEIN.

On Monday afternoon, January 31st, Mr. Emile A. Berne gave his daughter, Carmen Helen, in marriage to Lindsey George Gallaher, Private U. S. Marine Corps.

The ceremony was a very private affair, only the family of the bride and Private George Sitter, the best man, being present. Father Krickser, in the St. Paul's and St. Peter's Roman Catholic Church performed the ceremony. We wish the newly weds a long life of happiness and good health. *Sparks, 12th Feb.*
