WEAK WOMEN

cannot hope ever to become strong and well again unless they have plenty of good, rich, red blood of the kind that organic iron—Nuxated Iron—helps make. Nuxated Iron is like the iron in your blood and like the iron in spinach, lentils and apples, while metallic iron is iron just as it comes from the action of strong acids on iron filings. Nuxated Iron does not injure the teeth nor upset the stomach; it is an entirely different thing from ordinary metallic iron. It quickly helps make rich, red blood, revitalize wornout, exhausted nerves and give you new strength and energy. Over 4,000,000 people annually are using it. At all druggists. Beware of substitutes. The genuine has N. I. stamped on every tablet. Always insist on having the genuine.
