

A TONE as brilliant as the sparkle of gems and as sweet as an old love song—
as clear as the Sabbath church bell's chimes and as true as the ring of a gong—
this is Sonora's tone which was awarded the highest score at the Panama Pacific International Exposition.

There is one phonograph which is chosen when heard in critical comparison.

For what qualities is the crown of success bestowed?

Not for loud claims and hollow words, but for proven truth.—

Not for outward merit and inward lack, but for solid worth.—

Not for apparent excellence and surface glitter, but for thorough value which times has tried and not found wanting.

Before you purchase your phonograph hear the Sonora. It will give to you, to your family and friends years of the keenest pleasure, entertainment and enjoyment.—
