Anemic Girls or Healthy Girls—Which?

It can be said to be almost a
matter of choice as to how girls
develop. At any rate you want
your girls to be full of health
and vivacity.

Scott's Emulsion

is one of the most reliable helps
known to build robust bodies.
Nothing better to produce rich,
red blood and insure a healthy
development. If your growing
girls (and boys too) are not
"up to the mark", try them on
Scott's Emulsion.

You will find it practically a
Health Insurance *now* and a
blessing for the *future*.
