Every Woman Needs IRON at Times

If women would only take Nuxated Iron when they feel weak, rundown, tired out—when they are pale, nervous and haggard—there are thousands who might readily build up their red corpuscles, become rosy cheeked, strong and healthy and be much more attractive in every way. When the iron goes from the blood of women, the healthy glow of youth leaves their skin and their charm and vivacity depart. A two weeks course of Nuxated Iron works wonders in many cases. Satisfaction guaranteed or money refunded. At all good druggists.
