**NEURASTHENIA—
NERVE STARVATION****A Disease of the Down Hearted—Practical advice on what to do.**

Many a man is broken down and discouraged without having any actual disease in his organs and tissues,—he has lost his grip, feels weak and nervous and everything looks dark. He is suffering from the great American disease—Neurasthenia or nerve starvation, due to over-work, worry, continual hurry and nervous strain. The longer this continues the more certainly will it end in real disease of his organs, his nerves or his mind.

Such a man should live on the simple foods, eat plenty of cooked fruit and green vegetables, sleep nine hours at night if he can, an hour in the afternoon and feed his starving nerves and weak, thin blood, with a good nerve and blood food, like Nuxated Iron. Nuxated Iron contains a product brought to the attention of the French Academy of Medicine by the celebrated Doctor Robin, which represents the principal chemical constituent of active living nerve force; it also contains genuine organic iron like the iron in your blood and like the iron in spinach, lentils and apples.

Nuxated Iron may therefore be said to be a real nerve and blood food since it supplies the principal ingredients demanded by your nerves and blood to give you strength, energy, force and endurance. It often increases the bodily and mental vigor of weak, wornout, downhearted, and nervous folks in two weeks' time. Your money will be refunded by the manufacturers if it does not produce perfectly satisfactory results. For sale by all druggists.

NOTICE.

PARTIES having any just accounts against me will please at once submit same for payment, so long the accounts can be produced and no short-hand deal or I will turn them down, since my experience for the last two months has shown me how we are surrounded with men teaching the young people to dispute their accounts even if they agree in court to pay. Nowadays they never pay and up comes some so-called lawyer to prevent the court doing justice. **BUT JUSTICE IS JUSTICE**
