THE Constitution is the Fundamental Law of the United States of America: It is essential to citizenship that all should study and understand the Constitution.

It is therefore directed that, in all schools in the Virgin Islands, both Public and Private, the Constitution be systematically taught in all grades above and including the Seventh Grade.

Government of the Virgin Islands of the United States, St. Thomas, 29 March 1922.

WEAK WOMEN

cannot hope ever to become strong and well
again unless they have plenty of good, rich,
red blood of the kind that organic iron—
Nuxated Iron—helps make. Nuxated Iron is
like the iron in your blood and like the iron in
spinach, lentils and apples, while metallic
iron is iron just as it comes from the action of
strong acids on iron filings. Nuxated Iron
does not injure the teeth nor upset the stom-
ach; it is an entirely different thing from or-
dinary metallic iron. It quickly helps make
rich, red blood, revitalize wornout, exhausted
nerves and give you new strength and energy.
Over 4,000,000 people annually are using it.
At all druggists. Beware of substitutes.
The genuine has N. I. stamped on every tablet.
Always insist on having the genuine.
