AMENDMENT TO BILL NO. 23-
OFFERED BY SENATORS VARGRAVE RICHARDS AND VIOLET ANNE
GOLDEN

Bill No. 23-____ is amended by adding thereto a new appropriately numbered
Section to read as follows:

“SECTION____. Title 4, chapter 27, section 442, Virgin Islands Code is
amended as follows:

1. Delete the title and first two paragraphs and insert in lieu thereof the
subsequent paragraphs:

“§ 442. The Judicial Council Imprest Account

Notwithstanding any other law, the Judicial Council of the Virgin Islands (the
“Judicial Council”) is authorized to establish a separate operating bank account to be
known as the “Judicial Council Imprest Account” (the “Imprest Account”). The account
shall also consist of all eligible federal funds, all donations, gifts and bequests, and other
revenues designated to the Imprest Fund. The Chief Judge of the District Court shall
provide for the administration of the account and shall promulgate rules and regulations
governing the expenditure of funds consistent with the provisions of this section.

All monies received by the Judicial Council shall be deposited into the Imprest
Account, provided however, that of the \$500.00 annual licensing fee required to be paid
by each practicing attorney pursuant to title 27, section 302 of this Code the sum of
\$200.00 shall be made payable to the Judicial Council for deposit into the Imprest
Account. The remaining \$300.00 of said licensing fee shall be covered into the General
Fund of the Treasury of the Virgin Islands. ”

2. The first sentence of the third paragraph is amended by deleting the words "Law Library Fund" and inserting in lieu thereof the words "Judicial Council Imprest Account".

EXPLANATION

The purpose of creating a Judicial Council Imprest Account is to ensure the upkeep of the Law Library services. The present procedure requires all attorney licensing fees to be deposited into the General Fund. According to Judge Raymond Finch, as a result of the procedure, the council lost approximately three hundred thousand dollars (\$300,000.00). Furthermore, the Third Circuit had its allocations drastically reduced and cannot continue to maintain the upkeep of library services.
