NOTICE.

THE Inspection of the general annual repairs of the Public roads, with Bridges, Culverts, water courses, side walls, hand rails, etc. etc. shall commence after the 15th February.

All roadholders are therefore requested to have their respective allotments in good order by that date.

As it has been found during the Inspection last year that the trees and bushes along the roadsides were not trimmed, and therefore are an inconvenience to the Public traffic.

It is the Owner of the land, who is responsible for keeping them, from inconveniencing the Public, or damaging vehicles on the roadway and will be held for damage.

Boundary posts must be plainly marked, on each allotment and planted firmly in the ground.

When the Inspection is completed, and the roads found in order, the Roads will be Reallotted, for the next term.
