NUXATED IRON

—MASTER STRENGTH BUILDER OF THE BLOOD

The Power Behind the Strong
Sturdy Men and Healthy
Beautiful Women of Today

"To make strong, keen, red-blooded Americans there is nothing in my experience which I have found so valuable as organic iron—Nuxated Iron" says Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital (Outdoor Dept.), New York and the Westchester County Hospital. Nuxated Iron by enriching the blood and creating new blood cells strengthens the nerves, rebuilds the weakened tissues and helps to instill renewed energy and endurance into the whole system. It often increases the strength of weak, delicate people in two weeks' time. It is estimated that over 3,000,000 people use Nuxated Iron annually as a tonic, and blood-builder.

MAKE THIS TEST YOURSELF And Find Out Where Your Blood Stands

See how long you can work or how far you can walk without becoming tired; next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous, run-down people who were ailing all the while have most astonishingly increased their strength and endurance simply by taking iron in the proper form.

Manufacturers' Note: Nuxated Iron recommended and prescribed by physicians is not a secret remedy but one which is well known to druggists everywhere. Unlike the older inorganic iron products it is easily assimilated, does not injure the teeth make them black, nor upset the stomach. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed by all good druggists.
