DATE: JUN 22 1992

SUBJECT: TuTu Wells Site - Soil & Groundwater Investigation
Revised Oversight Work/QA Plan

FROM: Laura Scalise, Project Quality Assurance Officer *L. Scalise*
Monitoring Management Branch

TO: Caroline Kwan, Project Manager
New York/Caribbean Superfund Branch II

I have reviewed the revised oversight work/quality assurance plan for the TuTu Wells Site soil & groundwater investigation, dated June 4, 1992. MMB's previous comments on the May 19, 1992 plan have been addressed, and this plan is now approved by MMB. Oversight samples may now be booked through the RSCC.
