London, July 2nd.—The city of Frankfurt, on the edge of the Mayence bridgehead, is surrounded by occupied territory through French military moves, being completely cut off from unoccupied Germany, it is announced in the latest advices. To the north, in the Ruhr, French infantry and cavalry have occupied Schwerte, near Arnsberg, on the Ruhr, and other troops are on their way to Hagen, in the same neighbourhood.

Brussels, July 2nd.—The programme of penalties to be imposed in the Ruhr because of the bombing of the Belgian troop train near Duisbury on Saturday, in which ten lives were lost and more than two score persons injured, was before the Belgian Cabinet for consideration at its meeting this afternoon. Already the Government has ordered that prominent German civilians, opposed to the occupation, be carried as protesting hostages on Belgian trains crossing the Rhine at Duisbury hereafter, in response to the widespread indignation caused by the outrage the newspapers suggest stronger measures, several of them urging the adoption of the practice followed by the Germans in Belgium during the war, the shooting of selected notables in reprisal, after each act of hostility.

Tokio, July 3rd.—Japan has decided to approach Great Britain and the United States with a view to reaching a tripartite agreement to enforce the provisions of the Washington naval treaty without awaiting ratification by France, it was asserted today in Japanese newspapers, which print statements believed to be reliable.

Lausanne, July 3rd.—I-met Pasha, in the name of the Turkish delegation, has despatched a new note to the Near East Conference protesting against the delay in discussing the unsettled problems before the conference and demanding immediate consideration of the questions of the Ottoman debt, the evacuation of Turkish territory and concessions.
