Carambola Golf Course and Club House

Welcome to eighteen holes of the most beautiful and challenging golf in the Caribbean. Designed by Robert Trent Jones, Sr., and built by Laurance Rockefeller, the Club is the recipient of Golf Magazine's Gold Medal award and annually hosts the Konica USVI Golf Classic featuring LPGA professionals. Nestled in a verdant tropical valley, the course features rolling terrain, ninety-four bunkers and four of the best par 3's around. The course features natural spring-like ponds that come into play on holes 5 and 14. The most challenging hole is the signature hole #8, a 223-yard, par 3, which requires an uphill tee shot to a well-bunkered green.

The golf course has a driving range for proactive golfers who like to warm up and get the kinks out of their swing before starting a round.
