London, Sept. 15th.—Italy's notice to Jugo-Slavia with respect to acceptance of a settlement of the Fiume problem, sometime referred to an ultimatum which was due to expire today, has been extended. All danger of hostilities between Italy and Jugo-Slavia has been removed, British officials believed.

Madrid, Sept. 15th.—The military directorate announced, after a meeting last night, that the names of the new cabinet Ministers would be submitted today to Captain General Primo Rivera. All are said to be civilians, with the exception of the Ministers of War and Marine. Asked whether it was intended to reform the constitution of Spain, the General made an elusive reply. Captain-General Primo Rivera arrived here on the Barcelona express late last night. He was greeted by the cheers of thousands of workers who acclaimed King Alfonso and the army. Quiet prevails in Bilbal. It is expected that the 24 hours strike will end today as scheduled.

London, Sept. 15th.—Messages from Spain received in London during the night contain no indication that any disturbances have occurred in connection with the military coup d'etat. However, it is recalled that a strict censorship prevails. According to an untimed despatch from Madrid the second day of the revolt passed as quietly as the first. Although there has been no detailed news from the provinces, it is thought that the change effected in the outlying districts in as orderly a manner as in the capital. Another report says that Rivera's action has been received with general sym-

pathy, as all Spain has become tired of the negative policy followed by the late Ministry. The Socialist party, has issued a manifesto protesting against the abridgement of civil administration. The London Stock Exchange has shown a remarkable indifference to Rivera's coup. Spanish Fours declined only 2½ points, to 67½, without any dealings taking place.

High River, Alberta, Sept. 16th.—The special train bearing the Prince of Wales, travelling incognito as Lord Renfrew, and his party, arrived here at six o'clock this evening.
