Dear Jack:

Enclosed is a diskette which contains the Model Consent Decree which we are required to use to embody a settlement for the cleanup and reimbursement of federal expenditures at all Superfund Sites, including the Tutu Site. As we discussed last week, I would appreciate if you would distribute this document to the other attorneys involved in this matter for their information also. As I stated during the meetings last week, we have very little flexibility to alter the terms of this model.

Also enclosed is a copy of the sign-in sheet from last week's meetings. Please distribute copies to the other parties for their files. I appreciate your assistance in these matters.

Sincerely yours,

Andrew L. Praschak
Assistant Regional Counsel
