Change In Mail Service Between Porto Rfco And The Virgin Islands.

The following intelligence is furnished by the postmaster at Christiansted and released for public information and guidance:

The Post Office Department has issued an order dated February 17, 1922 discontinuing the service heretofore performed by the "Mystery" between San Juan, P. R. and St. Croix via St. Thomas. Effective March 1, 1922, this service will be performed by the S. S. "Marina" under contract entered into with the Bull Insular Line of New York, N. Y., and on a schedule providing for one round trip per week from San Juan, P. R. via St. Thomas to St. Croix, and one round trip per week from San Juan to San Pedro de Macoris and Santo Domingo City, R. D., pending adjustment of the quarantine restrictions at St. Thomas. The steamer will arrive at Christiansted at 1.00 p. m. Saturdays every first and third weeks of each month, say each alternate trip, and on such occasions will depart from Frederiksted at 1.00 p. m. the next day, Sunday. She will arrive at Frederiksted at 6.00 a. m. Saturdays every second and fourth weeks in each month, say each alternate trip, and on such occasions will depart from Christiansted at 5.00 p. m. the same day. This service affords once a week connection with St. Thomas, Porto Rico, Santo Domingo, and the States via Porto Rico, and the mails will be closed in Christiansted as usual at 4.00 p. m. Saturdays. The inter-island service will be continued by the Schooner "Creole" leaving Cristiansted at 6.00 p. m. Tuesdays, and St. Thomas at 6.00 p. m. Wednesdays. Mails for the Creole will be closed in Christiansted at 4.30 p. m. Tuesdays. Emergency service will be employed to transport the mail from Frederiksted on Saturday mornings

when the "Marina" docks there, and it is arranged to have the mail arrive at Christiansted by 9.00 a. m. thereby enabling the delivery of same before the busy hours of the day set in. The public is asked to cooperate in mailing early and often, and by so doing increase the efficiency of service in the distribution, delivery and dispatch of mails.

OBITUARY.

Cable news received here announces the death at St. Thomas, V. I., last evening of Mr. David O. Bornn, Consul for Belgium, manufacturer of the famous Bornn's Bay Rum, and head of the firm of D. O. Bornn & Sons, Panama Hat Emporium, successor to Chas. Delinois & Co. The deceased was 47 years of age, was among the leading business men of the sister island, has served in the local legislature, and was in general one of those useful citizens whose passing robs the island of St. Thomas of one of its landmarks.

To the sorrowing widow, three sons and other relatives thus suddenly bereaved we offer our heartfelt sympathy and condolences.

LOCAL.

The s. s. "Guiana" arrived at Frederiksted at 7 o'clock last night with 767 packages for Frederiksted and 50 packages for Christiansted.
