At the end of the meeting, Members Gordon, Rhymes, Harris, Brown and the Chairman discussed the question recently related in the Daily News of St. Thomas of the apparent paradox at the Public Works Commission, that while from Puerto Rico for use in St. Thomas which is drenched in coffee and has a great deal of unemployed labor and idly machinery that could be used for such work.

I feel that I should not have been able to do so much for the Government. I should have been able to do more for the Government. I should have been able to do more for the Government. I should have been able to do more for the Government.

Under informal discussion member Harris raised the point that Mr Henry Galiver, road foreman in the Public Works Department, is also assigned to do work other than that for which he was indigited; and he moved that the Chairman write a letter to the Public Works Department seeking information as to the reason for this situation.

Members Brown and Gordon discussed this matter. The motion of member Harris was adopted unanimously, with a stipulation made by member Brown that if the Chairman be also requested to reassign Mr Jessie Gomez to the duties he performed before his late illness.

Meeting of January 21, 1946

Extraordinary Meeting of the Municipal Council of St. Thomas
held on Monday, January 21, 1946 at 11:30 P.M.
The following members were present:

- Hon. Ray P. Gordon, First member, County District + Chairman.
- Hon. Quar Brown, First member - St. John.

The Extraordinary Meeting was called to order by the Chairman.

He then read the minutes of the previous meeting and they were approved. He then read a letter from the Governor of the Virgin Islands dated January 17, 1946, and he said it was a very interesting letter.

The following were read:

1. Letter from the Governor of the Virgin Islands dated January 17, 1946, advising that he would be sending 13 members to the 1946 election.
2. Letter dated January 17, 1946, to the Chairman of the Council from the Acting Governor of the Virgin Islands advising that he would be sending 13 members to the 1946 election.

2. Letter dated January 17, 1946, to the Chairman of the Council from the Acting Governor of the Virgin Islands advising that he would be sending 13 members to the 1946 election.

Commenting on the correspondence as read, member Brown recalled that there were two important matters he heard had that might be given immediate consideration, one was in regard to the date the Assembly to convene and the other with regard to the position on which the Globe should be written by the Council.

The first matter mentioned by the speaker, the date for the reconvening of the Assembly, was decided upon in accordance with the date set by St. Croix, January 25/1916. On the second point, this was no immediate action, it being presumably left for deliberation in the Committee of the whole.

The women then brought before the house the matter of the Confirmation of Executive Appointment of David Munn as a member of the Board of Review of Real Property Tax Assessments. This appointment was confirmed unanimously.

The reports on the following salaried appointments were read and discussed after which they were unanimously confirmed.

Hon. [Name] St. John
Hon. Oswald G. [Name] St. John District
Hon. [Name] Country District

The meeting was called to order by the Chairman, Mr.
[Name].
The informal discussion revolved around
the fact that in order to give the newly appointed
members who will come down, we are going to
be setting up a cabinet of department heads.

all officials now heading the departments of the government of the Virgin Islands should lay their resignation on the governor's desk on his arrival to the Virgin Islands. He added that he was willing to introduce a Resolution requesting the new governor to so require his department heads.

Mr Gordon concurred in Mr Rhynes's contention.

Mr Harris introduced into the discussion the matter of Commissioner of Finance, Louis Schultbrandt, Lincoln Day speech. He felt that the Council should consider its duty to see that the warnings mentioned by Mr Schultbrandt did not leave spirit as far as the conduct of the legislature is concerned. Members Brown and Gordon felt that Mr Schultbrandt was in position to so warn or advise the Municipal Council and that, in case, his remarks are not so much based on sincerity as upon a set scheme by the Administration to padeney. (criticizing the Municipal Council's Administration of the island by new superannuated.

Mr Rhynes expressed his views that he could not bring Mr Schultbrandt to task for any adverse remarks he might have made in the past as he was of the opinion and felt that the speech was only delivered by Mr Schultbrandt but did not carry his personal views.

The following resolutions were then read:

1. Resolved That February 2, 1945 to Honorable Chairman of the Municipal Council, Louis Schultbrandt, Governor of the Virgin Islands, for his conduct of the Council and the Legislature, the following resolutions be adopted:

Resolution In Recognition and Appreciation of the Public Service Rendered to the Virgin Islands by Rothschild Francis, a Native and Recognized Patriot of St. Thomas, in Championing the Civil Rights and Liberties of the People, and Renaming the Public Square in Charlotte Amalie known as "Market Square" to Rothschild Francis Square.

Whereas, Rothschild Francis devoted a great many years of his life in furthering the civil liberties of the people of the Virgin Islands, and particularly the people of the Municipality of St. Thomas and St. John at a time when universal franchise in these islands was unknown and political, social and economic oppression was rampant; and

Whereas, In this great work Rothschild Francis, a dedicated and patriotic man, was generally found leading the strenuous, and in his days, bitter fight for the adoption and promotion of the democratic principles of government, and was particularly articulate in behalf of the underprivileged and

Whereas, Rothschild Francis shared strongly in the efforts to obtain for the people of the Virgin Islands the Organic Act which by its passage by a Congress of the United States has brought to the people many of the blessings of self-government and eradicated the evils of misadministration; and

Whereas, Rothschild Francis became a political martyr due to his sincere adherence to his policy of militantly and fearlessly advocating, through the Public Forum and the floor of the National Colonial Council in behalf of the restoration of rights and civil liberties of the people and

Whereas, the people of St. Thomas & St. John is deeply indebted to the many sacrifices made by Rothschild Francis and his contribution he has made to the people of these islands;

Resolved, by the Municipal Council of St. Thomas and St. John in session assembled: That said body hereby makes of record, for and on behalf of the people of the Municipality, its deepest appreciation to Rothschild Francis for his many patriotic, civic and political acts which at length have come to be recognized as a vital part of the battle in our broken government which is right and just and to which the people of these islands have and still have the right to participate in the process of government.

And Be It Further Resolved and it is hereby further resolved that, as a token of lasting recognition to Rothschild Francis, the public square in the City of Charlotte Amalie, St. Thomas, known as "Market Square" be and is hereby renamed to be known henceforth as "Rothschild Francis Square."

And Be It Further Resolved and it is hereby further Resolved that this Resolution be transmitted to Rothschild Francis, and that copies thereof be transmitted to the family of Rothschild Francis, the Governor of the Virgin Islands and the Chairman of the Municipal Council of St. Croix.

Resolution Granting one Year's Leave of Absence with
pay to 1st Lieutenant Leonard Norvil, of the
Municipal Police Force of St. Thomas and St. John
to pursue a course in Police Work at the New York
Police Academy.

1st Lieutenant Norvil has served with distinction and initiative in the Police Force of the Municipality of St. Thomas and St. John from the year 1920 to the present; and

Whereas, during this eighteen (18) years of devoted service Lieutenant Norvil has proved to be one of the most progressive members of the Police Force, constantly looking for methods being employed in

police work with the view to enhancing the overall efficiency of the organization; and,

Whereas, The Municipality has previously invested in the preparation of Lieutenant Normil to realize his objective of being better trained and thus better able to serve efficiently in his chosen field; and,

Whereas, This training is responsible for Mr. Normil's present specialization in the work of technical investigation and detection of crime and the commission of crimes; and,

Whereas, Lieutenant Normil has made application to the Municipality for one year's leave of absence with pay to pursue a special course in police work at the Police Academy of New York and at the Federal Bureau of Investigation, Washington, D.C., under the direction of Mr. J. Edgar Hoover, for which courses no tuition fee will be charged, thus leaving board and lodging as the only minor incidentals only to be financed; and,

Whereas, The Municipality of St. Thomas and St. John is satisfied that the past years of service and the line work done by Lieutenant Normil during those years justify the granting of Lieutenant Normil's request.

Now, Therefore, Be It Resolved, and it is hereby resolved by the Municipal Council of St. Thomas and St. John in session assembled, that Lieutenant Normil, First Lieutenant in the Municipal Police Force of St. Thomas and St. John, be and is hereby granted one year's leave of absence with pay to pursue a special course in police work at the Police Academy of New York and the Federal Bureau of Investigation, Washington, D.C., under the direction of J. Edgar Hoover; and,

Be It Further Resolved, that Lieutenant Normil be granted an additional amount of \$2,000.00 to cover his board, lodging and incidental expenses incurred during his term of study; and,

Be It Further Resolved, that these grants are made on the condition that, upon completion of this course, Lieutenant Normil shall return and resume the performance of his duties at the Municipal Police Force, and continue thereon for at least three years, except as moved for cause. In which, the entire sum of this grant,

namely, \$ 3,540.00, shall automatically become due and payable to the Municipality, and Lieutenant Wormil, by his acceptance of these sum, shall be considered, *ipso facto*, to have agreed to these conditions.

Whereas, Mr. Ashley L. Lotten, President of the Virgin Islands Civic Association in New York City and a native of the Virgin Islands, has, for many years, been a standing champion of the rights of Virgin Islanders at home and on the Mainland; and,

It is the consensus of opinion of a majority of our people, that Mr. Lotten, in his fight for the advancement of his fellow Virgin Islanders and his native home, has many times, acted in good faith but without sufficient facts relative to conditions as they actually exist in the Virgin Islands; and,

Whereas, Such action has, from time to time, created a feeling of disharmony between many of our leaders at home and Mr. Totten resulting in disadvantage to the people of the Virgin Islands; and,

Whereas, Because of Mr. Totten's deep interest and sincerity in his efforts made for the advancement and betterment of the Virgin Islands and their people, it is fully realized that a man of his integrity and ability can be very valuable in this direction through his affiliation on the Mainland; and,

Whereas, There is an urgent need for closer cooperation and a complete understanding on Virgin Islands issues by all those at home who are sincerely seeking Virgin Islands advancement and Mr. Totten who is working towards the end on the Mainland; and,

Whereas, In an effort to obtain better government for this Native Land Mr. Totten has played an important role in the presidential nomination of William Henry Harris as Governor of the Virgin Islands, which is highly endorsed by the people of said islands; and,

Whereas, It is expected that the inauguration of Mr. Harris will take place in the very near future; and,

Whereas, It is the desire of the members of the Municipal Council that Mr. Totten be present at the inauguration ceremony and during his stay make at that time efforts to be made to obtain closer cooperation between him and all persons, particularly the members of the Municipal Council, working for the uplift of the Virgin Islands as a whole.

Now, Therefore, It Resolved and hereby Resolved by the Municipal Council of St. Thomas and St. John is solemnly assembled, that Mr. Aubrey L. Totten be and he is hereby invited to the Virgin Islands, to be present at the inauguration ceremony of Governor Harris and to that time efforts be made to form a closer relationship working towards the advancement and betterment of the Virgin Islands; and,

Be It Further Resolved that this Resolution be forwarded to Mr. Aubrey L. Totten, and a copy thereof to the Governor of the Virgin Islands.

Bill No. 243 was then taken up:

the means of Inter-Island Transportation between St. Thomas and St. John and suggested the immediate step be taken by the Chairman to have purchased by the Administration a Motor Launch from surplus war property. preference to veterans in the use of such units where they will be needed by the operating personnel of the base. Also mentioned and deplored, was the fact that operating of the present of long and hot summer for places of business on the main street, if any, carried a drinking water supply for their employees.

Finally, a motion was adopted authorizing the Chairman to write a communication to the Navy Department asking an explanation of the policies connected with the operating of the Local Naval Base as referred to above.

Member Harris stated that two difficulties have resulted from the increased assessment of Real Property by the City Assessor. First, many commercial businesses are increased, and secondly, by the Board of Assessors, it is impossible for them to adjust the assessment. Secondly, in the case where the assessment was disapproved by the Board of Assessors, the tenants were requested that they take action to compel the Assessor to take the original value.

After the above was brought to the attention of the Board, that no further action was taken.

The following minutes were read and approved by the Board of Assessors. The Board of Assessors, after a long and arduous session, has decided to recommend to the City Council the following minutes of the Board of Assessors, dated April 30, 1934, and the City Council has approved the same.
