Re: Tutu Wells Site, St. Thomas, USVI

Dear Senator Callender:

Thank you for meeting with me and Ms. Masson from Camp, Dresser and McKee on February 7, 1992 regarding the Tutu Wells Site. I hope the meeting was productive for you as well as for us. For additional information on Superfund, I have enclosed a copy of the Superfund brochure and a Workplan for the Remedial Investigation/ Feasibility Study that Esso and Texaco will commence within the next few months. Once we have completed the Community Relations Plan, I will forward a copy for your review and information.

Again, thank you for meeting with us and sharing your concerns and inputs for the Tutu Wells Site.

Sincerely yours,

Caroline Kwan
Project Manager
