

Hart-Parr Tractor.

At Sion Farm duplicate its excellent Porto Rican records when in the presence of MESSRS. L. NIELSEN and C. RINGBERG it plowed 1½ Acres, using 10 Gals. Kerosene in 3 hours, which means that it would plow 5.8 Acres in a day of 10 hours.

Considering the condition of the ground which had not been plowed in three years and without having rain in six months it is a performance which places this machine in a class by itself.
