Whereas, The Municipal Councils of St. Thomas and St. John, the members of which have in frequent contact with each other, through the session of the Legislature, and the attending in London, in this manner, faithful and intelligent, and at the Government of the Virgin Islands, consider it appropriate and fitting to make of record and to present to the bereaved family some permanent testimonial:

Now Therefore, Be It Resolved, and it is hereby resolved by the Municipal Council of St. Thomas and St. John in session assembled: That each body hereby records its deep regret at the sad demise of the late Honorable Cornelius Bentham, former Magistrate in the Municipality of St. John, and hereby expresses its sincere sympathy and condolence to the bereaved family and to the people of the Virgin Islands as a whole, for having lost a most distinguished and willing public servant in government and social affairs, and,

Be It Further Resolved, and it is hereby further resolved, That this Resolution, fittingly prepared and framed, be presented to the bereaved family in such manner and at such time as the Municipal Council may decide and that a copy thereof be forwarded to the Municipal Council of St. John and the Governor of the Virgin Islands.

Upon motion of Member Harris the Budget was then considered in the first instance thoroughly discussed by the members (on correspondence), and sent to the Municipal Council for its attention and hearings.

Item No 5 on the Order of the Day was then taken.

Bill No. 30

The Sixth Municipal Council of St. Thomas & St. John

Resolved, That the renewal of the Lease between the Municipality of St. Thomas and St. John and the [unclear] Company for the [unclear] Storage Plant.

By St. Thomas and St. John Municipal Council of St. Thomas and St. John in session assembled:

That the Governor of the Virgin Islands is hereby authorized, for and on behalf of the Municipality of St. Thomas and St. John, to execute the Lease between the Municipality of St. Thomas and St. John and the [unclear] Company for the [unclear] Storage Plant.

Resolution

The Sixth Municipal Council of St. Thomas & St. John

1941-1942

Resolved, That the Municipality of St. Thomas and St. John be authorized to survey the Municipality of St. Thomas and St. John for the purpose of installing a street lighting system.

Whereas the existing street lighting system in the city of Charlotte Harbor, St. Thomas, Virgin Islands, is inadequate and gives the community inadequate protection for current living conditions;

And whereas, most of the street lights in use are of an antiquated type, are so weak, and unscientifically installed as to render them practically valueless; and whereas a good street lighting system, which is an improvement which no progressive community can afford to neglect, serves every man, woman and child in the community, aids police protection, encourages crime and juvenile delinquency, and produces night traffic safety, improved estate values, and is an asset to collect the city's revenue can point with pride;

Therefore, Be it Resolved, and it is hereby resolved by the Municipal Council of St. Thomas and St. John in session assembled, that the Superintendent of Public Works be and he is hereby directed to make a survey of the existing street lighting system in the city of Charlotte Harbor, St. Thomas, Virgin Islands, and to report thereon to the Municipal Council at its next meeting.

Witness my hand and the seal of the Municipality of St. Thomas and St. John this [unclear] day of [unclear] 1941.

Members expressed opinion that the purpose sought to be accomplished by this Resolution could be accomplished by the correspondence between the Governor and that the plan of surveying the Superintendent of Public Works should have no purpose other than to find ground for timely presentation of other bills which report by a department which would be ineffective.

The bill was thought to be as follows:

Mr. Brown
Mr. Dwyer
Mr. Gordon
Mr. Hays
Mr. Hodge
Mr. Pithers
Mr. Spaulding

The meeting was adjourned at 11:00.

Meeting of April 11, 1917

The following members of the Legislative Council of St. John, and the following members of the Council of St. John, met on Monday April 11, 1917, at 10:00 o'clock.

The following members were present:

Mr. J. P. Gordon, District Member, Country District & Chairman.

 Mr. J. P. Gordon, Second Member for the Town District.
 Mr. J. P. Gordon, Second Member for the Country District.
 Mr. J. P. Gordon, Member for the District of St. John.

The meeting was convened by Chairman Gordon.

During the informal discussion member Gordon, Chairman of the Municipal Committee, made remarks on the exchange of correspondence between the Governor and the Committee on the discontinuance of aid to eleven children from St. John attending the Charlotte Amalie High School. He explained that while the Governor expressed the belief that the Organic Act did not require the concurrence of the Municipal Committee in any measures taken by him in this connection, the Committee's contention was not that such concurrence was necessary, but that the Organic Act requires that in all fiscal matters the Municipality of Municipal Committee shall advise the Governor before final action is taken. He also cited other examples where, in his opinion, the Administration was, as he saw it, either negligent or failed to cooperate with the Council.

Member Brown also made remarks in which he expressed the opinion that the Administration tended to be uncooperative with the Legislature.

The following correspondence was read:

Letter dated March 20, 1917, to the Chairman of the Municipal Committee from the Governor, in which the Governor expressed his belief that the Organic Act did not require the concurrence of the Municipal Committee in any measures taken by him in this connection.

2. Letter dated March 24, 1947, to the Chairman of the Municipal Council from Mr. E. Edwards R. Meeting of September 6, 1947

The continuation of the extraordinary meeting of the Council from the previous meeting of September 4, 1947, at the Chamber of Commerce, continued until Monday, September 8, 1947.

The meeting was called to order by Chairman Ray F. Gordon.

Present were:

Ray F. Gordon, Chairman for the County District & Chairman of the Board of Directors of the Chamber of Commerce.
 Oswald E. Brown, Secretary of the County District.
 Earl B. Otley, Chairman for the County District.
 Laurie E. Hadden, Secretary of the County District.
 Julius Spranger, Chairman for the County District.

During this informal discussion, Member Harris pointed out that a number of publications in the Photo News to the effect that the majority of the members of the Council had voted down and killed a bill introduced by Member Otley to increase the salary of all municipal employees receiving a total salary of not exceeding \$50 a month and a slight increase for certain other groups as well. Member Downing and the Chairman spoke on the same subject. Member Otley replied that he felt that since the measure was before the committee for several weeks and the committee had not reported it out, that alone was an indication that the committee did not intend to act favorably on the bill, and it was on that basis that he wrote the newspaper articles for which he had no apology to make.

The following communications were read:

1. Letter dated September 4, 1947, to the Chairman of the Council from the Acting Governor, advising the Council that the Executive sanctioned the following bills passed by the Council on August 27, 1947: Bills Nos. 87, 88, 89, 90, 91, 94, 97 & 101.
2. Letter dated September 4, 1947, to the Chairman of the Council from the Acting Governor, stating that while the Council Committee on Investigation recommended that no further

ment, increasing my salary and at the same time
pay at the same level as the previous, effective
on and after August 1, 1964.

The appointment of Master G. Villa as public surveyor in the Municipality of St. Thomas and St. John at a salary of \$3,000 per annum was also taken up but was referred to the Committee of the Whole with the instruction to the Chairman that he send the Administration requesting that they advertise this position as required by the Governor's directing on advertisement of Municipal vacancies. If a better applicant is not found by such advertisement, Mr. Villa will then be confirmed.

The following bills were placed on the Ord
of the Day by proper motion adopted:

Resolution authorizing the Council Committee on Investigations to Conduct a Thorough Investigation into the Establishment Known as the "Virgin Islands Cooperative, Inc.", St. Thomas, Virgin Islands and Bill No. 95 Draft of Amendment to the Budget for the 1947-48 fiscal year to increase Item 26, Public Works and Fire Department. Both these bills were adopted as follows:

Resolution authorizing the Council Committee
on Investigations, etc.

Resolution

The Joint Municipal Council of St. Thomas & St. John

1941-1942

Authorizing the Council's Committee on Investigations to conduct a thorough investigation into the Establishment known as the Virgin Islands Cooperative, Inc. at St. Thomas, Virgin Islands.

Whereas it is generally believed that too little is known by the People of the Municipality of St. Thomas and St. John about the origin, nature, purpose and effect of the establishment known as the Virgin Islands Cooperative, Inc., which it is believed, was established in part at least by Government funds; and,

Whereas several individuals attempt to receive pertinent and valuable information about the Establishment from other sources; and,

Whereas the Joint Municipal Council of St. Thomas and St. John, in conformity to the above, is informed as to the general ownership of the Virgin Islands Cooperative, Inc., whether it is principally, wholly or privately-owned or otherwise, and is of the strong opinion that all such information should be secured on its own behalf and for the benefit of the people of the Municipality, as well;

Now, Therefore, Be It Resolved, and it is hereby Resolved by the Municipal Council's Committee on Investigation to conduct a thorough investigation into the affairs of the Virgin Islands Cooperative, Inc. at St. Thomas, Virgin Islands, with the view to determining its origin, nature, ownership, purpose, and effect in the economy of the Virgin Islands; and,

Be It And It Is Further Resolved, That the Council's Committee on Investigations make a full and complete report of its findings to the Municipal Council and the Governor, with recommendations in the premises.

Resolution in recognition and appreciation of the services of the United States Navy in the Virgin Islands petitioning the Secretary of the Navy to continue operations of the United States Naval Submarine Base situate at St. Thomas, Virgin Islands of the United States of America, and to assign Naval cruise boats for calls at St. Thomas and St. Croix, Virgin Islands of United States.

Resolution
The Sixth Municipal Council of St. Thomas & St. John
1947-1948

Resolution In Recognition and Appreciation of
the Service of the United States Navy in
the Virgin Islands of the United States, Again
Petitioning the Secretary of the Navy to Continue
Operations of the Submarine Base
Situated at St. Thomas, Virgin Islands of
the United States, and Petitioning the Secre-
tary of the Navy to Continue Cruise Boats
for calls at St. Thomas and St. Croix, Virgin
Islands of the United States.

Whereas, Word having been received during
the month of May, 1947, that a decision had
been reached to discontinue the Submarine Base
at St. Thomas, Virgin Islands, as of June 30, 1947,
which date was later changed to September 30, 1947,
the Municipal Council of St. Thomas and St. John
immediately made representation to the proper
Naval and other authorities calling to their attention
the serious effect such action would have on the
economy of the Virgin Islands as a whole; and,

Whereas, It has always been understood, also,
that this base, which guards the approaches to
the Panama Canal, is of material value to the
proper defense of the United States of America;
and,

Whereas, the cessation of this activity in
St. Thomas, it is now known, would have
an even more serious effect on the economy of
the island than at first anticipated, as during
the past few months, a gradual but continuous
recession has thrown a considerable number
of the population out of employment; and,

Whereas, The people of the Virgin Islands
are and have always been appreciative and
grateful for the services rendered the Virgin
Islands through the years by the United States
Navy; and,

Whereas, Of considerable economic benefit
also has been the practice of the Navy Cruise
ships for calls at Caribbean ports, including
St. Thomas and St. Croix, Virgin Islands; and,

Whereas, Whenever such craft take anchorage
in ports of the Virgin Islands of the United
States, they have always been and can always
be assured of a hearty reception, and courteous,

headquarters and quarters for the inhabitants of the islands in a step towards improving the material and spiritual conditions between the Navy and the Virgin Islands.

Now Mr. [unclear] Resolved and it is hereby resolved by the Council of St. Thomas and St. John is assembled:

1) That the people of the Virgin Islands hereby make of record their full and wholehearted appreciation and gratitude for the services rendered the Virgin Islands by the United States Navy;

2) That the Secretary of the Navy in view of the disastrous effect the operation of the submarine base activity at St. Thomas would have on the economy of the islands and the importance of this base to the power and defense of the United States, is hereby petitioned to continue operations of the submarine base at St. Thomas, Virgin Islands, until such time as the economy of the islands can better withstand the impact of the re-activation of this base; and,

3) That the Secretary of the Navy is hereby petitioned to detail or have detailed Naval craft for Caribbean cruise, including calls at St. Thomas and St. Croix, Virgin Islands, with the assurance that the complement of these craft, as always in the past, will at times receive the best treatment during their stay in these United States ports.

And Be It Further Resolved, and it is hereby further Resolved, that this Resolution be forwarded to the Honorable, the Secretary of the Navy, and that copies thereof be sent to the Honorable, the Secretary of the Interior, the Commandant of the Tenth Naval District at San Juan, Puerto Rico, the local commander in charge of the submarine base at St. Thomas, and the Honorable, the Governor of the Virgin Islands.

The Board of Health of the Town of St. Thomas, 1917-1918

Resolved, that a light be installed at Red Hook, St. John, to guide the Harbor.

It has been found that no light is installed at Red Hook for the guidance and safety of vessels and boats passing between Red Hook and St. John, which has time and again proven dangerous to sailors and other persons moving between the two islands; and therefore, the experience of Captains of vessels, launches and other sea-craft between Cruz Bay and Red Hook has proven that the installation of at least one light, preferably a red light, at Red Hook would contribute to the safety and convenience of all such craft.

Be it Resolved, and it is hereby resolved by the Municipal Council of St. Thomas and St. John in session assembled, that the Governor is hereby requested to direct the Harbor Authorities, or to do whatever else in his best judgment may serve the purpose to have installed a light at Red Hook, St. Thomas, as a contribution to the guidance and safety of vessels passing the waters between Red Hook and St. John, Virgin Islands.
