

(Continued from 1st page.)

However true this may be, yet there stands glaringly before us, a vast bunch of BOLOGNAS who certainly did put up a wonderful fight out of the beer on which they thrived.

Prohibition in conclusion is one positive proof of what politics can bring about.

If the forces who fought for its enforcement did not see some political gain in it, most naturally its purpose would have been lost.

But men will do anything to aspire to power financially and otherwise.

For these reasons it is well that the administration of the Virgin Islands is one made up of Naval heads and with no possibility of a change until the islands become self-supporting.

American politics strikes hard in America.

It would be disastrous if placed in a barrel with crabs.
