

PAST THE ONE-THIRD MARK.

The St. Croix Chapter of the Red Cross has set itself a quota of fifteen hundred members for 1921. At the end of the second day of the Roll Call, over one-third of this membership had been signed up. With four days still to be heard from, let us redouble our efforts to go "over the top."

To the list of Collectors should be added the name of Mr. Victor Hall, who has kindly consented to canvas for memberships among the members of the Labor Union.

The Red Cross Booth was opened Tuesday in Frederiksted, at the store of Mrs. Hagemann. The Collectors in both towns report a cordial reception everywhere, and a general desire to become members of this great organization. The total returns for Tuesday are as follows:

	Annual Members (\$1.)	Contributing Members (\$5.)	Life Members (\$50.)	Total
Frederiksted Town.....	88	5	—	93
Frederiksted Country District.....	1	—	—	1
Christiansted Town.....	81	8	—	89
Christiansted Country District.....	38	2	—	40
Total.....	208	15	—	223

The Grand Total for the two days is 620. So great has been the enrollment to date, that the supply of buttons is running low. More have been sent for; meanwhile, if your Collector has none to give you, ask her to write on the bottom of your receipt, "Button due". As soon as they are received, you will be notified through the papers where they might be obtained. Those who join NOW will be more likely to get the buttons still in hand.

The American Red Cross is for ALL.

CHRISTIANSTED THEATRE

8.00. THIS EVENING 8.00.

"Her Five-Foot Highness".

Featuring:

"Edith Roberts"

FIVE REELS.

This is a top-notch production affording "Edith Roberts" opportunities for varied acting; in the beginning she appears as a blustering ranch girl, who wears caps and shoots with the cowboys.

Late, she goes to England to claim her inheritance, when she appears as a more demure miss, invading the baronial halls of her ancestors like a timid "Peg O' My Heart". But her courage reasserts itself when occasion demands, and she wins out on her rights as an unafraid American girl.

This is a top-notch production having the broad underlying general appeal, the romantic plot material, a splendid contrast of settings and a thoroughly agreeable cast of characters.

The pictures of quiet, cultured home life in England, disturbed by the appearance of one real claimant, and a second false one, are admirably done.

Executive Order No. 18.

THE Government having been advised that the Pink-Bollworm—a pest for cotton—has made its appearance in St. Kitts and Montserrat, and that the Boll Weevil has made its appearance in the island of Porto Rico, and in order to better protect the cane and cotton industries, it is directed that no person or corporation shall be allowed to import into the island of St. Croix by mail, freight, or by any other means, any cotton, seed, seed cotton, cotton lint, cotton plants, sugar cane cuttings, sugar cane plants, or pieces of sugar cane, unless through the medium of, and with the consent of, the Agronomist in charge of the Agricultural Experiment Station in St. Croix. Also, the baggage of all passengers to the island of St. Croix shall be searched by the Customs Officials for these articles and if any shall be found they shall be forthwith destroyed by fire.

It is further directed that the Agronomist in charge of the Agricultural Experiment Station or any official of the Agricultural Experiment Station appointed by him, shall have free access to all sugar cane or cotton fields in the island of St. Croix, for the purpose of examining such fields for pests.

LOCAL.

The S. S. Parima from New York via St. Thomas arrived at Frederiksted at daybreak yesterday and sailed again for the British Islands in the evening. A small mail was received here at noon yesterday.

U. S. S. Tadoussac from St. Thomas arrived here yesterday with the Dispatching Secretary and Mrs. Fox.

The Creole is also reported to have gone to Frederiksted instead of coming here.

Attention is invited to the advertisement of the Christiansted Theatre of a complete drama entitled Her Five-Foot Highness a very much praised production for which the manager of the theatre is offering free admission to all girls five feet tall. The closing parts of "The Pearl of the Army" that great serial which attracted such a large circle of movie admirers just fresh to memory will be supplanted by one no less interesting, and it is hoped that a full house will turn out this evening.
