Ride in Safety on Goodyear Motorcycle Tyres

When rains catch you on the road, or you ride unto wet pavement, you'll like the way Goodyear Motorcycle Tyres cling to the road.

In slippery going the big diamond-shaped block of All-Weather Tread hold fast against skidding or spinning.

And so you go up hills, or down grades, Goodyear Tyres will give you this same safety, and comfort and economy as well.

You know the importance of good tyres. Just remember the Goodyear Motorcycle Tyres are made with the same careful skill, and are as strong for their size, as Goodyear Automobile Tyres.

Then, too, Goodyear prices are lower than ever before. They are even lower than pre war prices.
