Dear attorney Dema:

In response to your May 20, 1993 letter and your June 2, 1993 letter addressed to Atty. José A. Cepeda, enclosed you will find a document prepared by Geraghty & Miller answering your inquiries as to the installation of the additional monitoring wells at the Four Winds Plaza. The work is scheduled to be conducted in or around August 2, 1993. Monitoring well MW-17 will be located on the sidewalk in front of the new addition in the courtyard of Four Winds. All drilling for this well will be conducted after business hours.

If you have any additional questions, do not hesitate to contact the undersigned at your convenience.

Cordially yours,
