Travel to St. Croix:

St. Croix has jet service from American Airlines through Miami and US Airways through Philadelphia. American Eagle has several flights from San Juan to St Croix each day as well. Connections may also be made through St Thomas or San Juan on Delta Airlines and Cape Air (small commuter flights). Contact your travel agent or the airlines directly to make your reservations.

On Island Travel:

There is taxi service available to transport you from the airport to the hotel upon arrival and at departure. During the conference transportation between the hotel and UVI and for the farm tour on Saturday afternoon will be provided. For recreational activities on Sunday, efforts will be made to provide assistance with transportation as needed.

If you plan on staying for extra days before or after the conference it is advisable to rent a car if you plan on sightseeing around the island. Avis, Hertz and Budget all have offices at the airport.
