

Hart-Parr Tractor.

At Sion Farm duplicate its excellent Porto Rican records when in the presence of MESSRS. L. NIELSEN and C. RINGBERG it plowed 1½ Acres, using 10 Gals. Kerosene in 3 hours, which means that it would plow 5.8 Acres in a day of 10 hours.

Considering the condition of the ground which had not been plowed in three years and without having rain in six months it is a performance which places this machine in a class by itself.

To The Reading Public,

EX-SERVICE MEN AND ALL
WHO APPRECIATE GOOD LIT-
ERATURE.

I HAVE the exclusive agency in this territory for the "Stars and Stripes", a publication issued weekly at Washington, and holding the interest of a large percentage of the American people on the continent. It is a paper chuck full of good reading. Everybody will enjoy it, husband, wife, children, all in the family. A limited supply of complete bound files of the 71 issues which appeared during the war and containing all manner of vivid, realistic pictures of the activities of the A. E. F. can be had at \$12 a copy.

The subscription to the paper is \$2 the year, only half what it is worth. Nobody who subscribes to the "Stars and Stripes" will regret the money paid for it, and I am looking for a number of subscriptions from those who want to keep in touch with the Nation's activities through one of its leading avenues of news.
