# HUDSON

## An Even Finer Super-Six

Those who drive today's Super-Six call it the greatest Hudson ever built. No car excels it in performance, reliability and lasting endurance.

Now to these famous qualities are added refinements that assure instant starting, smoother operation and greater economy in fuel, oil and maintenance.

No wonder, as for nine years, it is outselling all fine cars, and by a greater margin than ever.

I am not hungry mother!

In childhood a healthy hunger is the most natural thing in the world. Therefore when a child refuses food, one may be sure that it needs a medicine, which, like *Scott's Emulsion* restores a normal appetite, and at the same time supplies nutritive elements of great value. Nothing like it for children and equally good for adults.

## SCOTT'S EMULSION
