

GOVERNMENT OF THE
VIRGIN ISLANDS OF THE UNITED STATES
ST. THOMAS.

Executive Order No. 2--1923.

In order that complete and accurate record may be kept of persons who arrive in the Virgin Islands, especially aliens, there will hereafter be kept at the ports of St. Thomas, St. John, Christiansted and Frederiksted, a book to be known as the Immigration Record in which will be recorded the following data concerning persons arriving in the Virgin Islands:

1. Full name.
2. Age.
3. Sex.
4. Color.
5. Date of arrival.
6. Name of vessel.
7. Citizenship.
8. Former residence.
9. Occupation.
10. Local address.
11. Remarks (description of passport, length of stay and other pertinent information).

The information necessary to complete this record will be procured under the cognizance of the Directors of Police in St. Thomas and St. Croix, and the Despatching Secretary at St. John. Each vessel carrying passengers will be boarded by an official from the above offices when the necessary data will be secured to be later transposed to the permanent Immigration Record. Captains of vessels will not be permitted to land passengers until the data for this record have been obtained.

Passengers who remain in a port of the Virgin Islands only during the stay of the ship, and who depart with it, need not be recorded.

The data required by the Immigration Record are in addition to the requirements of existing laws regarding Immigration, foreigners, etc. in the Virgin Islands. The practice of requiring captains of ships to furnish passenger lists will be continued.

WITNESS MY HAND and the Seal of the Government of the Virgin Islands of the United States at St. Thomas this fifteenth day of May, nineteen hundred and twenty-three.
