FIG TREE BURSTS THREE BUNCHES.

Quite an unusual occurrence was report-
ed to us yesterday by one James Henry a
squatter on Est. Mt. Victory. Mr. Hen-
ry tells us of a fig tree in his possession
which has brought forth 3 bunches ~~one~~
time. So far as we learn this is the first
case of the kind in St. Croix. The tree
can be inspected on the land of Mr.
Henry who will be willing to show it
with the bunches as they are to all those
who desire seeing same. *West End*

The "Acme" Road Roller and Scarifier
is now in working order having passed
through town yesterday on its way to
'Long Road' where it is presumed work
will be started on the making of the
road. This machine was demonstrated
by Mr. Rollins Brown in presence of the
Public Works Officer, the Chairman of
the Road Commission, the Street Inspec-
tor, the Police Director and other specta-
tors. The work demonstrated so far
seems fairly satisfactory.—*Ibid.*
