**RE: Request for Federal Consistency for Virgin Islands Department of Agriculture (VIDA)
Temporary Office Modular Build Out - St. John**

Dear Commissioner Nelson:

The Department of Public Works, Division of Engineering has prepared a Federal Consistency Report demonstrating the project's compliance with the Virgin Islands Coastal Zone Management Program. Please review the package and forward it to the Department of Planning and Natural Resources (DPNR) for a Federal Coastal Consistency Determination for the Temporary Office Modular Build Out located at No. 11 Estate Carolina island on the island of St. John.

The scope of work includes installation of a temporary modular building with the installation of and repairs to interior walls and interior doors, relocation of existing electrical lighting fixtures, relocation of mechanical air diffuser, and other miscellaneous work.

Please feel free to contact Stephen Tullock, CIP Administrator, at (340) 776-4844, Extension 4261 or stephen.tullock@dpw.vi.gov should you require further information.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Derek Gabriel', written over a blue circular stamp.
